CAREER OBJECTIVE

Pursuing a degree in Computer Science & Engineering, with skills in Java, C, SQL, and web development. Proficient in graphic design and Power BI for creating innovative solutions. Passionate about software development and committed to contributing to projects that drive technological advancements. Seeking opportunities to grow and apply my knowledge in a dynamic and challenging environment.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering   Graduation: 2022-2026
Erode Sengunthar Engineering College, Erode
CGPA: 8.4 (Current)

Higher Secondary (12th Grade)   Graduated: 2020-2022
Bharathi Vidya Mandir, Theni
HSC: 76%

SKILLS

- **Programming Languages:** Java, SQL.
- **Web Development:** React, DBMS(MySQL, MongoDB), Responsive Web Design
- **Deployment & DevOps:** Docker
- **Designing Skills:** Graphic Design, UI/UX Design
- **Tools & Technologies:** Excel, Figma, Photoshop, Adobe XD, Canva, GitHub, Power BI, MongoDB.
- **Soft Skills:** Problem-Solving, Creativity, Teamwork, Leadership.

PROJECTS

IOT-Based Smart Plant Watering System   (May 2024)
- An automated system for monitoring soil moisture levels to ensure optimal plant hydration. Selected for Anna University's Climate Change Event.

Online Marriage Registration System   (September 2024)
- A secure web platform for digital marriage registration, built using HTML, CSS, JavaScript, and MySQL.

Power BI Data Dashboard   (January 2025)
- Developed an interactive dashboard using Power BI for efficient data visualization and analysis of key metrics.

Zomato Clone   (March 2025)
- A full-featured food delivery web application built with the MERN Stack (MongoDB, Express.js, React.js, Node.js), replicating core functionalities of Zomato.

Serverless File Sharing Platform using AWS   (May 2025)
- secure serverless file-sharing platform using Amazon Web Services (AWS) tools such as S3, Lambda, API Gateway, and DynamoDB. frontend using React.js for an intuitive

AREA OF INTEREST

- Software Developer
- Database Administrator
- Data Analyst
- Cloud Computing

CERTIFICATIONS

- **NPTEL Online Certification's : Cloud Computing & Programming in C** (Issued by: NPTEL)
- **IOT Edge Computing and IOT Analytics Certification** (October 2023 Issued by: Infosy Springboard)
- **Power BI Data Visualization** (October 2024 Issued by: Microsoft Learn)
- **Meta Online Course: UI/UX** (January 2025 Issued by: Meta (Coursera))
- **Introduction to Docker Containers** (April 2025 – Issued by Microsoft Learn)

INTERNSHIP EXPERIENCE

- **UI/UX Design Internship** Company: Cognifyz Technologies
  Duration: September 2024 – October 2024
- **Web Development Internship – MERN Stack** Company: AICTE & EY Global Delivery Services
  Duration: February 10, 2025 – March 21, 2025
